exercising their own judgment in cases of flagrant
moral delinquencies—to use such terms and names
deem proper, when the object is of such high importance that
the end will justify the means. In this great and indispens-
able work, we confidently look to an enlightened public to aid us
in our laudable effort.
The columns of the Expositor will be open to the discussion
of all matters of public interest, the productions of all corres-
pondents subject to the decision of the Editor alone, who shall
receive or reject at his option. National questions will be in
place—but no preference given to either of the political parties.
The Editorial department will contain the political news of the
Congress, proceedings of Congress, election returns, &c., &c.
for articles on Agriculture, the Mechanic Arts,
Commercial transactions, &c.
